

EE Centenary Travel Fellowship

The *EE Centenary Travel Fellowship* is meant to provide additional support to students from EE department attending international conferences abroad. The fellowship comes from the surplus funds of EE Centenary Conference and this fellowship program would last till the funds are utilized.

Any student of the EE department who is presenting a paper (based on work done at EE department) at an international conference outside India is eligible for this fellowship. The student can apply by sending a letter to the chairman of the department. The letter of acceptance from the conference should be enclosed. The student's application for this fellowship must be endorsed by the student's guide. Under this fellowship, conference related expenses (such as registration, travel, accommodation etc.) up to a maximum of Rs. 25,000 would be reimbursed. The reimbursement is based on production of appropriate bills and production of evidence that these expenses are not covered by any other grant that the student has. Students are allowed to apply multiple times for this fellowship. The final decision on awarding the fellowship is taken by a committee constituted for this purpose.
