

Department of Electrical Engineering Doctoral/M.Tech (Res) Committee Report

Name :
SR Number :
Degree Registered : Date of Registration :
Date of Comprehensive Examination :
Date of Colloquium :
Doctoral/M.Tech (Res) Committee Members : 1.
2.
3.

Progress Record*

RTP performance (CGPA) :

Courses	Credits	Grade
1.		
2.		
3.		
4.		
5.		
6.		

1. Area of Research :

2. Problem statement in brief :

3. Literature survey and familiarity with the field of investigation

4. Proposed approach, analysis and methodology in detail :

5. Requirements of data bases, experimental data, hardware and software :

6. Any problems and difficulties encountered by the student :

*This process may require a comprehensive presentation by the students covering above aspects.

7. Status and evaluation of the results obtained :

8. Status of publications :

Journal/Conf.	Submitted(S)/ Accepted (A)	Date

9. Overall plan of the research, experiments, results, thesis preparation, colloquium and submission with appropriate deadlines (what is relevant and appropriate at the time/stage of research program) :

10. Frequency of contact with the student (Tick)

In a Week once / more than once
or
In a fortnight once / more than once
or
In a month once / more than once

10. Overall performance - Comments and Grade (Satisfactory/Good/Very Good) :

Signature of the Committee Members

Signature

- 1.
- 2.
- 3.

*This process may require a comprehensive presentation by the students covering above aspects.
